Vol. 8, No. 31

EDMONTON, ALBERTA, WEDNESDAY, AUG. 3, 1955

Section One—8 Pages

Asphalting Of Airport Completed

LAC LA BICHE—On Saturday afternoon, July 30, Dawson Wade and Associates, contractors for the asphalting of the McMurray Air Strip, completed their project. Approximately 35 tank cars of asphalt were applied to the strip, thus making it fully asphalted with a smooth finish for heavy traffic.

Following the completion of asphalting of the airstrip, a party was held Saturday night.

Moving out of heavy equipment necessary in this project should be in order very shortly.

The McMurray Airport is the first stop north-east from Edmonton by Canadian Pacific Airlines to far-reaching northern destinations.

Anzac Agency On NAR Opens

LAC LA BICHE—On Friday, July 29, J. Richter, relieving agent on the Northern Alberta Railways, opened up Anzac agency. Anzac is approximately 148 miles north-east of Lac la Biche on the Waterways subdivision of the Northern Alberta Railways.

Necessary rush arrangements were made to set up an agency and a snow-flanger was set up on a spur track on the south side of the track and telegraph installations were made for service immediately following by A. H. Proctor, NAR lineman. This is the result of a large project in this area, not too well known about to date, but which appears to be a large issue.

Mannix Ltd. have partly moved in to date near the NAR station and the movement of freight traffic in this area is proceeding at a good rate.

Anzac is situated in a muskeg area, quite flat and of little use for growing anything.

Alfred Rayment Laid To Rest

Alfred Rayment, aged 54, of Hylo, Alberta, passed away on July 11, at St. Catherine's Hospital in Lac la Biche.

He was born in Vista, Manitoba, and came to Alberta in 1917 with his parents and settled in Vlna. He was married in 1930 and lived in Edmonton for 11 years. In 1941 he moved to a farm in Hylo, where he resided until his death.

Surviving him are his wife, six children, four sisters and a brother. He was laid to rest in the Hylo Cemetery on July 14. Pallbearers were John, Alex and Harry Strachuk, Metro Poholski, Wesley Avery and Ray Warren.

Reception For Former Resident

ATMORE—Henry Boulanger, old-time resident, who has lived for the past nine years in Haney, B.C., was guest of his sister, Mrs. Pierre Boulanger, for two weeks.

On July 20, a reception was held for her brother at Mrs. Boulanger's home. Fifty-two guests attended.

Mr. Boulanger left for Haney, B.C., on July 20, and was accompanied by Mr. Boudreau, another old-time resident.

Songstress vs. Brawny Brave

DAINTY SINGING STAR of Canadian radio and television, Lorraine McAllister trounced the top-knot off burly Indian Chief Split Cloud in an unscheduled log bucking contest at a Sportsmen's Show in Vancouver. Augmenting her 110 pounds of pulchritude with 20 pounds of McCulloch Chain Saw, Lorraine ripped through the test timber way ahead of her swarthy opponent who was equipped with an old-fashioned bucksaw. The Chief had a 10-second handicap, too.

Venice

George Krushnolski was a recent visitor at the home of his parents, Mr. and Mrs. John Krushnolski.

Mr. and Mrs. M. Bakay have returned from their trip down east with their daughter and son-in-law, Mr. and Mrs. John Beniuk.

Rev. Father McGrane, who has been holding church services for nearly a year in the Venice-Hylo Parish, has now been replaced by a new priest from Jarvie.

Emile and Emilene Cyr, from Plamondon, are spending a holiday at Mr. and Mrs. Fred Fornairi's home.

Atmore

Mr. and Mrs. Grant Bolton, formerly with the Imperial Bank of Canada at Boyle, now in Edson, renewed acquaintances in Atmore and district last week.

Mr. and Mrs. L. Verklund, of Edmonton, spent the weekend as guests of Mr. and Mrs. Wm. Campbell.

Mrs. J. Duigou returned home last Wednesday after having spent considerable time in an Edmonton hospital.

Walter Dakin has been receiving medical care in Edmonton for the past few weeks.

T. W. Pue, publisher of the Lac la Biche Herald, was a business visitor in Atmore recently.

Henry Boulanger of Haney, B.C., has been a guest at his brother's home for the past two weeks.

Donald Boudreau spent a few days in the Lac la Biche hospital.

Mrs. A. Bouvier received medical treatment in Edmonton last week.

Mrs. Lloyd Dakin spent three weeks in Edmonton marking grade nine examination papers.

Mrs. D. Shank is a clerk in the General Store.

WI Notes

LAC LA BICHE—The July meeting of the Lac la Biche Women's Institute was held with nine members present. Roll call was answered by the name of a place where we would like to spend a vacation. With the money donated by the W.I., it was brought out that the sister's of St. Catherine's are buying a mimeograph machine for the making of routine papers.

Arrangements were made for the conference to be held July 28. Those wishing to attend this conference are to contact the secretary. Anyone having handicrafts to exhibit is to hand them in to Mrs. Mastaler before the date of the conference.

Freedom

Many Freedomites motored to Edmonton to attend the exhibition. Congratulations to Gus Hauth, who celebrated his 82nd birthday on July 21.

Mr. and Mrs. Harry Beamer of Vancouver, B.C., spent three weeks at the former's parents, Mr. and Mrs. John Rezac. Mrs. Rezac accompanied them to Cold Lake to visit a son, Walter Rezac.

Best wishes to Mr. and Mrs. Sigmund Moltzan, who were married on July 23. Mrs. Moltzan is the former Ruby Kublik, of Lumford.

Mrs. Joe Smith, Sr., visited her son and daughter-in-law, Mr. and Mrs. Ed Smith, at Red Deer, for a few days.

Marlene Kurt is visiting her aunt in Edmonton for a week.

Barbara and Grant Thompson returned to Edmonton after visiting relatives at Freedom and Naples.

Clare Anderson attended the Interprovincial Council Convention at Saskatoon last week.

Report of FUA District No. 3 Convention Held Recently in Legion Hall, Barrhead

By I. NIELSON

Despite the bad roads and generous precipitation (on the third rainy day) the attendance of delegates and visitors from all parts of the vast district was very encouraging at the convention which was held in the Legion Hall in Barrhead, Thursday, July 7. The address of welcome was given by the Deputy Mayor of Barrhead, Dr. Horner.

Mr. C. Anderson, District FUA director reported the increase from 1200 to 4200 in membership; the forming of numerous new locals and the successful sub-district workshops and conventions held in the 6 Sub-Districts with sub-directors elected at each one. He stressed the favorable attitude the provincial government seemed to take in regards to our requests since we obtained a majority membership.

The FWUA district director, Mrs. I. Beach in her report emphasized the urgent need for more interest in our FUA Juniors. The district at present have only active Junior Local with 15 members and over 500 Juniors in this district are left without any encouragement from the parent association.

Mrs. C. T. Armstrong, provincial FWUA president urged closer coordination between the four branches of our union and among the many different farm groups. She pointed out that we farmers have democratic duties as well as democratic rights and that "right" always triumphs over "might". Mrs. Armstrong also outlined her activities as president of the FWUA in

presenting resolutions to the government; attending conventions: CFA meeting in Regina and in closing stated that "the Voice of Agriculture must be heard where it will do the most good".

The five sub-directors present each gave a report of the activities in their respective sub-districts and of the workshops held during the winter with a good attendance and much interest shown in continuing these every year.

Mr. H. Young, Provincial FUA president, told the convention that the increase in our membership from 26,000 to 62,000 had already brought many advantages to the farmer. He mentioned the increase in educational grants from the Provincial Government; Loans to homesteaders; for Municipalities not to tax farmers for oil leases and several others. Mr. Young reported on the progress of the office building; meetings with government members; the candidates responses to our program during the recently held provincial election and outlined the immediate aims of the Union such as assistance to young farmers; rural telephone lines; car insurance and rural electrification.

The results of elections were FUA Director, C. Anderson; FUA Alternate Director, H. Hauth; FWUA Director, Mrs. H. Beach; and Mrs. W. Byvank, Alternate FWUA Director.

Of the 30 resolutions presented, 24 were carried, four lost, one tabled and one without a mover. Among the ones approved were to continue sub-district workshops; changing the PFAA setup; to have retail meat marked with original grade; rural electrification supplied by Provincial Government; have bolts of yard goods labeled as to shrinkage, colorfastness and composition; reinstating bounty on predators; hire a full time qualified supervisor for junior work; circularize resume of FUA accomplishments before the membership drive; abolishing tractor licences; credits given for agricultural subjects in high schools, etc.

The Barrhead FWUA Ladies' served delicious meals for the delegates and were given a hearty vote of thanks for their efforts.

New Sea Cadet Appointment

EDMONTON, (BUP)—An Edmonton man, Charles B. Hill, has been elected president of the Northern Alberta Division of the Navy League of Canada.

Hill, who has been chairman of the League's Sea Cadet committee for many years succeeds John H. Corbett. The vice-president is Rodney Pike and the secretary-treasurer is R. B. Foulds.

Thomas Waddington has been named chairman of the sea cadet committee to succeed Hill. Lac la Biche and the Lac la Biche Sea Cadet corps are within the area to be administered by Mr. Waddington.

Lac la Biche

Mrs. Mary Romaniuk is holidaying in Vancouver with her sisters for approximately three weeks.

Ma and Mrs. Alex Tomnuk, Andy and Nettie have returned from a three-week vacation. They toured Mexico, United States, Victoria and Vancouver, returning on the Hart Highway to Alberta.

Card of Thanks

We little think as we go from day to day how quickly sorrow can strike the heart, but when it did the instant sympathy and helpfulness of friends and neighbors was deeply comforting in the sad loss of our beloved husband and father, Alfred Rayment. We are very grateful to all who have given and offered their services to us.

Jean Rayment and family.

Proteins Needed By Older People

Although physical processes and bodily activities slow down with age, the older person still needs reasonable amounts of protein foods. Care should be taken to eat foods that are known from experience to be easily digested. Nutritionists recommend that older people eat four or five lighter meals at shorter intervals each day, rather than three heavier ones.

Wife Can't Spell Name

DETROIT, Mich.—In petitioning the court to have his name changed, Eleftherios Kavounidis, 34, told the judge his wife can't spell his name. He wanted it changed to Larry Andrews.

Body Of Man Found In Bushes, Watson Lake Army Employee Held

Edward La Plante, 51, a civilian employed by the Army at Watson Lake, has been charged with the murder of William Finch, 73. One man held earlier was released.

The body was found in a clump of bushes in an isolated spot between 129 Ave. and 131 St. Thos. Lavery, a hospital employee, discovered the body early Tuesday morning while on his way to work.

There were bruises on the man's head but no mud was found on his shoes which led police to believe he was taken by car to the scene and hidden there.

The man is described as being of slight stature weighing about 110 pounds. He was wearing blue jeans.

According to hotel officials he makes a yearly trip from Cold Lake. He arrived on Saturday and said he had to see a dentist.

Several persons reported having seen him Monday afternoon. A taxi driver said he had taken Finch to a downtown building for a dental appointment but first took him to a jewelry store.

The manager of the hotel where Finch stayed said his guest had \$100 on him. He said he had been drinking heavily and had two strange men in his room Saturday night and they had quite a party.

Coroner Dr. M. M. Cantor will perform an autopsy.

The United States should trust all nations but, just to be safe, maintain strong defense forces.

Uses Purple Gas, Farmer Fined \$25

In RCMP court Wednesday Magistrate Simpson found Marsh Norris of Ardrossan guilty of operating a truck with purple fuel in the tank. Although Norris had obeyed the "spirit of the law" he technically was guilty. When the Magistrate offered to give the accused a suspended sentence he learned there is a minimum sentence of a \$25 fine which was imposed.

The accused was charged June 6 when stopped by a government road inspector. A sample of the gasoline in Norris's truck was taken and signs of purple dye were evident.

Norris admitted having purple gas in the tank but claimed he had mixed standard gas with it. He said he drove to a nearby filling station and bought enough standard gas to take him to town and back and was, therefore using the proper gas.

Technically, according to court ruling, a farmer using a vehicle such as a truck on the farm and also on highways would have to drain the purple gasoline from the tank, flush out the purple dye and refill the tank with red gasoline.

Edmonton Vote Was Only 65%

EDMONTON—A total of 65.15 per cent of Edmonton's registered voters cast ballots in the June 29 Alberta election, returning officer Clifford G. Purvis announced.

The total number of ballots cast was 82,792, he said. There were 127,069 persons registered. The number of spoiled ballots was 6,248.

Construction Begins At New Town Five Miles East Of Edmonton

Construction of the first six homes has begun at the townsite of Campbelltown, five miles east of Edmonton. At the sod-turning ceremonies recently held, among those present were the Reeve and Councillors and Secretary-Treasurer of the M.D. of Strathcona.

Army Re-opens Alaska Highway

The Alaska Highway was re-opened to traffic after torrential rains forced closure of a 635-mile stretch for two days. Travellers were urged to use caution.

The Alberta Travel Bureau said a telegram was received from the Canadian army at Whitehorse, Y.T. advising of the re-opening.

Hundreds of tourists were reported stranded at Dawson Creek, B.C. — start of the highway — and Fort St. John, B.C.

The highway is restricted to one way traffic from mile 395 to mile 479.

The army signal warned drivers to proceed at "utmost caution at own risk" because work crews have not yet been able to put up warnings at many danger points.

Travellers were urged to carry canned food in case rain makes the highway impassable again.

Traffic bound for the United States and intermediary Canadian points has been delayed pending repairs of the highway and maintenance of the big washouts.

At one point, mile 575, a side access road to an airstrip is covered with several inches of water from the rampaging Liard River.

Motorists at each end of the closure strip have been held up by northwest highway system officials.

Dawson Creek is the starting point of the Alaska Highway and Watson Lake is a few miles beyond the British Columbia border in the Yukon Territory.

The town of Campbelltown is to represent a "New Way of Life," according to G. M. Wiggins, General Manager of the project. Features in the town will include artificial lakes or lagoons, planned shopping centres, ideally located schools, churches, parks and recreation centres. A country atmosphere with city standards of living, will be the theme of the entire plan; the town is to be completely planned and self-sufficient.

The entire project is unique although similar ventures have been completed by Trowbridge and Associates in the Los Angeles area, Las Vegas and Ogden, Utah. The two, three and four bedroom, contemporary ranch style homes will all have full basements; the larger homes will contain two bathrooms, and garages are optional. Each kitchen will be equipped with exhaust fans and garbage disposal units.

There are no difficulties encountered for the supply of all utilities, and street paving will be completed when the homes are ready for occupancy.

The suburban town of Campbelltown will be completed in seven to 11 years, location is one mile east of the intersection of highways 14 and 16, east of Edmonton.

The Requirements

Men — Wanted immediately a man who resembles the President to demonstrate game, "Balance the Budget," in store window. Must also be able to juggle tennis balls. — From an adv. in the Times.

As though they were billion dollar gold pieces?

Telling The Whole Truth

The labels on food and drugs sold in Canada must bear a true description of the contents, as well as the name and address of the manufacturer. This is done to protect the purchaser from adulterated, impure or unclean food or drugs. If any purchase of food or drugs is found to be untruthfully labelled or the contents impaired the local food and drug inspector should be notified so that the offending article may be withdrawn from sale and action taken to prevent any recurrence of the offence.

Television will not bring the world to your doorstep. It will bring that part of the world which somebody else wishes you to see.

**EQUIP YOURSELF FOR
NEW CASH HARVESTS**

Here's a suggestion for replacing some of the cash income from acres diverted by crop control. Diversify your operation with crops that you can handle with your own Model 66 ALL-CROP Harvester. You have a wide variety of grains, seeds, sorghums or soybeans from which to choose. The ALL-CROP Harvester can handle almost any of them.

For 19 years the ALL-CROP Harvester has helped thousands of farmers harvest more than 100 crops at lower cost. Now Allis-Chalmers offers you the same high-quality ability with larger capacity in the Model 66.

For your harvest assurance this year... plus cash income in the seasons ahead, choose ALL-CROP Harvester. We will be happy to demonstrate one for you.

ALL-CROP is an Allis-Chalmers trademark.

News From Other Alberta Towns

A Worthy Project For Slave Lake

Some of the citizens here are considering a project to improve the beach and shore on the Lesser Slave Lake. According to information supplied to your reporter, it would only take about \$150. to remove some brush and trees and to level the ground to make this beach really useful. Any citizen interested in this worthy project are asked to get in touch with Mel Parkyn.

Manse Entered Through Window

HIGH PRAIRIE — The United Church Manse was found to have been broken into sometime during the night of July 19. Entry had been gained through a side window.

The manse had been vacant following the departure of Mr. Stainton and the furniture and effects of the Rev. Lorne O. Keays, who is expected at the end of the month had only arrived and been put into the manse that day.

Trunks, suitcases and packing boxes had all been broken into and the contents strewn about the rooms. It is impossible to know if any articles are missing until the arrival of the new minister.

Drive-In To Open South Of Minburn

MINBURN — J. Rubil is building a drive-in theatre ½ mile south of town. The opening is Saturday night, July 30, "Shane", starring Alan Ladd, Van Heflin and Jean Arthur will be showing.

Large Freight Boat Brings Memories

The arrival of a large freighter boat in Slave Lake during the week brought back memories to many of the old timers around here of when these freighters used to ply the Lesser Slave Lake from Saulteau Landing to Grouard.

This boat arrived by truck and trailer and was being shipped by the Riverton Boat Co. of Riverton, Man., to Great Slave Lake, for the Gateway Fisheries, Edmonton. The boat in question was some 55 feet long and had a 120 HP diesel engine.

Before coming north it was used on Lake Winnipeg, Man.

The former freighters on Lesser Slave Lake used to burn wood, but this boat was more up to date and will burn oil.

Large Lumber Deal Confirmed

SLAVE LAKE — One of the largest lumber deals to be made for some time has been just concluded with the federal government, and Swanson Lumber Co. with their head office in Edmonton.

It is reported that the deal involves some 170,000,000 feet of white spruce in Wood Buffalo Park in Northern Alberta, and that it will take over a period of some 15 years to complete. Officials in Ottawa explained the timber to be cut under Dominion government supervision.

It is also reported that this project will mean the construction of a large lumber mill in the vicinity of Fort McMurray. The Swanson Lumber Company has large timber operations in the Slave Lake district.

REDWATER CADETS arrive at summer camp. (T-B) Cadets Ben Bland, R.R. No. 4, Edmonton; Wes Carleton, Bon Accord, and Garey Pedersen, R.R. No. 4, Edmonton, members of 525 Squadron, arrive to begin a two-week tour at RCAF Summer Camp, Abbotsford, B.C. Lectures on basic air force trades, flying, tours, sports, swimming and station activities will fill a round-the-clock program during their stay at the camp.

Store Closing, Saturday 9 p.m. By-Law, Passed By Council

HIGH PRAIRIE — The mid-monthly meeting of the Town Council was held at the Town office on Monday evening, July 18, with Mayor Vanderaegen, councillors Ed Becker, R. B. Ellis, R. C. Moore and secretary P. Smith present.

Arising from the correspondence, a letter was read from the Department of Industries and Labour in connection with a licence for Canadian Propane's retail business which was approved by council.

A letter was read from the Department of Highways in connection with the river diversion and the secretary was instructed to have the transfer completed and payment made to Dr. Wood for the land involved.

Date for the Tax Sale was set for October 15 at 2:30 p.m. at the office of the Town secretary.

Mr. S. Kovnats enquired as to the possibility of extending the sewer east of the creek on First Avenue. He was advised that this would possibly be the next extension underway.

A building permit was issued to Melvin Taylor for the erection of a new store on First Street re-

placing his present building.

Coun. Ed Aines was appointed deputy mayor for the three month period ending September 30.

The Grants by-law and Closing by-law were both given second and third readings. The Closing by-law will allow closing of the stores at 9 p.m. on Saturday nights after August 1.

After consideration of accounts the meeting closed at 11:30 p.m.

Girls In Charge Garage Business

McLENNAN — When Mr. and Mrs. Charboneau went on their holidays they left the garage business in the capable hands of their daughter Marjorie, and their three granddaughters.

While two part-time mechanics did the heavy mechanical work, the girls looked after the sale of gas and oil and parts.

The garage is open from 7:30 a.m. to 12:00 p.m.

One evidence of the value of the Bible is the character of those who oppose it.

Two Hills Teams Battle For First Place In Hose Rolling Competition

The Northern Alberta Fire Competition was held in Two Hills this year. There were 13 teams competing from Cold Lake, Edmonton, Elk Point, Innisfree, Lac la Biche, St. Paul, Vegreville and Two Hills.

The first event of the competition was the hose coupling competition in which the home town took both prizes. Fire chief, Walter Horon, Steve Sorochnan, Walter Chrapko and F. Monpetit of Two Hills team No. 2 posted a time of 17 4/5 seconds for the first prize of electric clocks donated by the Fire Commissioners office. The high school brigade of Nestor Hryciw, Ron Mulka, Ed Zaharichuk and Marshall Dehid, had the fastest time of the afternoon with 15 4/5 seconds, but in their haste had three leaks which gave them a time of 18 4/5 seconds, good enough for roulette ashtrays, which were second prize.

The hose rolling contest was won by Team No. 1 of Lac la Biche with a time of 15 4/5 seconds. Messrs Dobson, Onufrew, Hammer and Mackaisse received Ronson lighters for their top showing. The second prize of miniature trophies was won by Team No. 1 of Two Hills with a time of 16 1/5 seconds. Mike Dronyk, Peter Petaski, Mike Zalaski and Nick Pundick gave Two Hills a prize in this event.

Four hundred gallons of oil and diesel fuel were ignited and Walter Chrapko, Peter Petaski, Nick Punick and Steve Sorochnan proceeded to extinguish the flames in a short time using two 1 1/2" hoses with fog nozzles.

Lac la Biche challenged Two Hills to a water fight and lost. The high school brigade challenged the winners who were the Two Hills Senior Brigade and ended up the victors, thus receiving ball-point pen sets.

The two losing teams received mermaid and punkinseed fishing hooks for their efforts.

Dick R. Beeland, Bill McKay and

J. H. McMahon of the Fire Commissioner's office were the officials for the competition and did a fine job.

A banquet was held in the evening at which the prizes were awarded. Master of ceremonies for the competition and banquet was P. M. Shavechook who introduced Mayor D. M. Geleta and Dick R. Beeland, who gave short speeches and presented the prizes.

Pass Music Examinations

Three girls from Redwater and district received notification of their piano examinations held recently by the Royal Conservatory of Music of Toronto in Edmonton.

Taking Honors in Grade Nine piano was Miss Okasana Zolkewych, daughter of Rev. and Mrs. W. Zolkewych of Radway. Last year Miss Zolkewych distinguished herself by winning a scholarship with her piano artistry.

Passing her Grade Ten examinations, Miss Lorraine Stepchuk, daughter of Mr. and Mrs. Walter Stepchuk of Opal has progressed one step further up the ladder of her musical career.

Miss Binkie Edmondson, daughter of Mr. and Mrs. O. Edmondson of Redwater, passed her Grade Eight examinations. Binkie expects to continue her musical career in Edmonton, while she is studying pharmacy at the Royal Alexandra Hospital, where she will enter internship in August.

Fire Destroys Vacant House

McLENNAN — Fire of unknown origin destroyed a house on the Marcoux farm, half a mile out of McLennan last Sunday night. RCMP officers on patrol noticed the blaze and turned in the alarm. The McLennan fire brigade arrived too late to save the building which was unoccupied and unfurnished.

Opens New Service Station

SLAVE LAKE — Tom Mackenzie of Westlock has arrived in the town and is supervising the building of his new Service Station. He will be handling BA oil products and expects to be open for business by August 1.

Freak Storm Hits McLennan

McLennan cowered under the first electric storm to pass over the town in two years, between 1:00 and 2:00 o'clock, Friday morning. The lightning lit the sky from horizon to horizon with the rapidity of a child turning a light switch. There were only a few faint rumblings of thunder.

The rain, interspersed with hail, fell in sheets for half an hour and caused some damage to the more tender garden plants.

SHOWN ABOVE are the Northern Alberta Hose Coupling Champions. From left to right they are: Walter Chrapko, Two Hills Fire Chief, Horon, F. Monpetit and Assistant Chief Steve Sorochnan. They are pictured with the electric clocks they received as winners.

A CHEMICAL STUBBLE-MULCH SUMMERFALLOW

A feature of grain farming in Western Canada is to alternate grain crops with summerfallow. The main object of this practice is to build up a moisture supply by reducing or eliminating weed growth. Clean, bare fallow is, of course, subject to soil erosion by wind and water. On the other hand, the use of stubble-mulch (trash cover) fallow, a practice now widely used in the Prairie Provinces, undoubtedly helps to reduce soil erosion and moisture loss but it is not too effective in weed control. The question then is, "Can weed-killing chemicals be used to increase the effectiveness of a stubble-mulch summerfallow?"

Fallow Tests. Field plot experiments have been made recently at the Wyoming Agricultural Experiment Station to determine the effect of various summerfallow methods upon water intake. Of several fallow methods tested, the application of weed-killing chemicals on stubble-mulch fallow, with no sub-surface tillage treatment, gave the best results. Under artificially-produced rain of approximately 2.5 inches per hour, plots in which weeds in the standing stubble were controlled with chemicals took in 1.52 inches of water per hour compared with the spring-plowed cultivated, bare fallow plots which took in 1.28 inches per hour. On the other hand, plots which were spring-plowed and then received sub-surface cultivation took in only 0.98 inches of water per hour.

Promising Results. These chemical and tillage tests are being continued. If future findings support the results obtained thus far in Wyoming, a new economical method of land preparation for dryland farming will have been developed. The use of chemicals for weed control in conjunction with stubble-mulch (trash cover) fallow may be the answer to more effective soil moisture conservation and weed control in Western Canada. We will attempt to keep our readers informed on this subject.

McCrimmon Gets Agriculture Post

E. R. McCrimmon has been named executive assistant to Alberta deputy minister of agriculture R. M. Putnam.

Mr. McCrimmon has been supervisor of the radio and information branch of the department since it was formed in 1953. Before that he was an instructor in horticulture at the Vermilion school of agriculture and at the Brooks horticultural station.

A native of Bon Accord district, he graduated in agriculture from the University of Alberta.

In making the announcement, Agriculture Minister Halmrast said the post of assistant deputy minister of agriculture now will be abolished.

Will Build Model Town

EDMONTON—A model town will be built at Hinton, 200 miles west of here, a spokesman for the town and rural planning department said Monday.

The town will house pulp mill workers at a \$30,000,000 mill now under construction.

The town will be built to house 2,500 persons and will eventually grow to a population of 5,000.

Yorkshire Swine Win Top Prizes

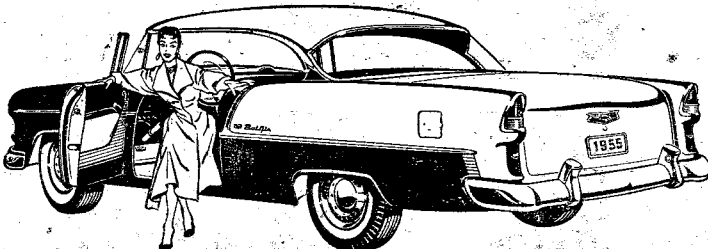

Grand championship honors in Yorkshire swine were divided at Edmonton exhibition between Lord Rodney of Fort Saskatchewan and S. W. Sheppard of Edmonton. Other championship honors were divided among Arthur Schmidt, of Vegreville, Knut Berg of Camrose, Peter Wyllie of Leduc and Ernest E. Prill, Mannville.

The big classes of white bacon swine were judged by Edgar Ash of Paisley, Ont., who found top quality in the animals heading the various classes of boars and sows.

Cottonmore Lass 213E, bred by Lord Rodney, first sow over two years, was senior and grand champion. A yearling sow bred by Schmidt was reserve senior and reserve grand, while another of his headed the four to six-month class and was reserve junior champion; and a third entry of his was first in the nine to 12-month sows. In six to nine-month sows, Prill won first and junior championship honors.

Urealta Gain Boy 54H, which S. W. Sheppard purchased at the dispersal sale of the late Hon. D. A. Ure, was first in the aged boar class of Yorkshire swine, senior and grand champion.

The most compact baler ever built!

NEW HOLLAND'S sensational MODEL "66"

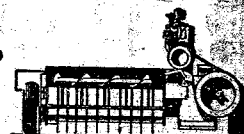

Makes hay baling practical on almost any farm
It's self-powered... makes square, man-size bales
Costs hundreds of dollars less!

The surprise of a lifetime! That's the New Holland Twine-Tie "66"! We'll wager you've never seen a baler so compact in design... so completely new!

You'll be amazed the first time you see the "66". It's shorter and lower than most balers. It's designed to operate with a one or two-plow tractor. It's priced so low that even small-acreage farmers can now afford the finest in baling equipment.

Now you can enjoy the benefits of having your own baler on the farm. You can bale your hay the moment it's ready to come in, and bale it fast for minimum spoilage by sun or rain.

New pre-compression baling action given the "66" unusual capacity. It can kick out 6 square bales a minute... package up to 7 tons of hay an hour! And it bales anything—clover, prairie hay, sudan grass, maize.

The low center of gravity and wide tread of the "66" give greatest stability even when baling on hill-sides. The wide 47 1/2" pick-up takes any wind-draw.

Engine is mounted high in the air, clear of dust, and chaff.

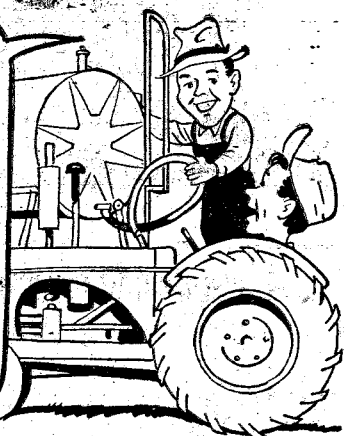

Roll-away bale chute flips bales out of the tractor's path. Twine box is easy to get at—holds four full-size bales of twine.

CHAS. LEBAS

Says...

"IF A BIRD IN THE HAND IS WORTH TWO IN THE BUSH—HOW MUCH IS A FULL STORAGE TANK WORTH IN A BUSY SEASON?"

Now is a good time to have that storage tank full of Imperial Tractor Fuels. Then you'll be able to go full steam ahead when you start to get busy.

If you don't have a storage tank... see someone who has. He'll tell you it's a fast, safe and convenient way of storing and handling gasoline. He'll tell you, too, that getting a storage tank was one of the smartest moves he ever made. And when you get your tank, it'll be a smart move to get it filled with Imperial Tractor Fuel.

Spend Honeymoon In Jasper, Banff

A pretty summer wedding was solemnized at Holy Trinity Church, Grassland, on July 8, when Miss Elizabeth Ballard, of Atmore, became the bride of William Isaac, Athabasca. Rev. R. S. H. Greene, Lac la Biche, officiated.

Beautifully gowned in lace and net, the bride entered the church on her father's arm. Bridal attendants were Mrs. Oliver Kanzig, sister of the bride, as matron of honor, and Misses Jean Young and Florence Isaac as bridesmaids. They wore dresses of nylon net in colors of yellow, pink and green respectively.

The groom was assisted by Jim Isaac, Stanley Ballard and Robin Coates.

Misses Jean and Helen Naborney rendered a fitting duet during the signing of the register. Robert McKenzie accompanied the singing on the organ.

A reception for 75 guests followed in the Atmore Community Hall. The evening ended with a wedding dance with Sauer orchestra providing the music.

After a honeymoon in Jasper, Banff and Calgary, the young couple will take up residence on their farm near Athabasca.

Out-of-town guests included Mrs. Harry Merryfield, Whitecourt; Mr. and Mrs. Ken Bell, Clive; Mr. and Mrs. Eddie Westling, Clive; the Guy Stanchfield family, of Tees, and Mrs. Audrey Demare, Red Deer.

Hylo

Many of the local children attended the "Bible Camp" at Little Egg Lake.

Mrs. G. McEachern entertained friends from Redwater over the weekend.

Mr. and Mrs. Henry Bjorgan from Wandering River visited here during the weekend.

Nick Owchar has returned to Whitehorse, where he is stationed with the army, after a recent visit with his family.

Mr. and Mrs. Harvey Kennedy and family spent the weekend at Smith.

Mrs. Paul Mahowich has taken up residence here again.

Mrs. Carl Kuhn has returned home from Edmonton.

Mr. and Mrs. O. Pivin, Mr. and Mrs. Fred Marchesi, Mr. and Mrs. Mike Owchar, Mr. and Mrs. James

Bjorgan, George, Lynda, and Fred Michetti; Carl Kuhn and daughter, Carol, all motored to Athabasca to take part in the car bingo held July 28. The car was won by Mr. Gerard of Morinville.

The barn dance at Paul Michetti's farm last Saturday evening was a great success.

Mr. and Mrs. Stanley Grandish visited Edmonton last week.

The Hylo Junior Beavers played the Lac la Biche Junior Dodgers on Sunday, July 17, at the Venice picnic. Hylo came out on top again to win the game, with a score of 4-3.

Mrs. Wayne Campbell of Vancouver, B.C., and Mrs. Martha Preston of Vilna are visiting at the home of Mrs. A. Rayment. They came to attend the funeral of their brother, Alfred Rayment.

Lost Boy Seeks Aid Of Police

McLENNAN — While Mr. and Mrs. Fred Napier and family were in Calgary's St. George Island Park, Charlie, their six-year-old son, became separated from them in the crowd. Charlie had been told to go to a policeman if he got lost, and he obeyed instructions and sought a policeman, while his parents searched for him.

It was Charlie who saw his mother first as he and the policeman fought their way through a crowd of 2,000 people. The family once more united, continued to enjoy their holiday.

Thieves Return Loot—No Good

SPRINGFIELD, Ill.—The thieves, who took all four hubcaps off William Romack, Jr.'s 1955 automobile, returned them, placing them on the front seat of the car, with this note: "They don't fit. You can have them back. Thanks." The note was unsigned.

Westlock Church Setting For Summer Wedding

ROCHESTER — The Westlock United Church was the setting for a summer wedding when Nancy Andrich, daughter of Mr. and Mrs. Mike Andrich, became the bride of Allan Gerlach, son of Mr. and Mrs. Walter Gerlach, all of Rochester.

Rev. Walter Crane performed the ceremony.

Given in marriage by her father, the bride's gown was white, styled with nylon lace bodice with bouffant nylon net skirt over satin. The jacket featured lily-point sleeves. The finger-tip veil was held in place by a coronet. She carried a bouquet of red roses.

A sextette of attendants in pastel colored gowns preceded the bride. Mrs. Rosalind Betts was maid-of-honor in blue net over satin; Jean Hameluk in mauve net; Joanne Chabun, in green net; Nora Gerlach, the groom's sister, in yellow; Edna Betts in blue and Marjorie Hartley in pink. They carried mixed bouquets.

The flower girls were Emily and Frances Chiernyck and wore frocks of yellow and blue.

Groom's attendants were Murry Betts, Jack Andrich, the bride's brother, James Bloeman, Tony Kopia, Gilbert Oko and Dale Betts. The ring-bearer was Eugene Dulaska.

Following the wedding ceremony a reception for 200 guests was held at the home of the bride's parents.

After a brief honeymoon in Edmonton the couple returned for a dance in their honor given by the

groom's parents in the Rochester Community Hall.

The young couple will reside in Rochester.

Willow Ridge

Mr. and Mrs. Miller of Beiseker are guests of Mr. and Mrs. W. Gerun. They were met in Edmonton by Dianne and Mr. Gerun.

D. Kennett of Banff spent a few days visiting Mr. and Mrs. R. S. Benham on his way to Sexsmith where he will work as carpenter for the Peace River Bible School.

Miss Joan Benham is attending McTavish Business College.

Miss S. Johnson's next church service will be held Aug. 5 at 11 a.m.

Amber Valley

Recent visitors here were Mrs. Bob Heslop, Ray, Helen, Joyce, Lonnie and family from Edmonton; Mr. and Mrs. Joe Johnson, Johnny Bowen from Winnipeg.

Edward and Edgar Medlock are spending their holidays here.

Misses Lola Brown and Agnes Sneed are at Olds for the 4-H Club convention.

SAY HILL — HOW COME YOU DON'T SEEM TO BE DOING MUCH FENCING LATELY?

I'VE BEEN USING OSMOSE — MY POSTS ARE NOW LASTING 3 TO 5 TIMES LONGER!

use **Osmose**

SPECIAL
FENCE POST MIXTURE

It's true — 80% to 90% of the time and money spent on fencing can be saved by using "Osmose" Special Fence Post Mixture. Treat the ground line only and make the whole post last 3 to 5 times longer for 3c to 4c per post. Any kind of post — Pine — Spruce — Poplar — Willow or Cedar can be effectively treated with this well-known preservative mixture. Over 2,000,000 power and telephone poles and the millions of farmers' fence posts treated with "Osmose" prove these facts. "Osmose" really does a job, even on green wood. Your dealer can supply you
